

## Grazing Agreement

Welcome to Kate's Riding Centre. We offer grazing and agistment for horses and ponies in a herd environment over 400 acres. Your weekly grazing fee of \$50.00 covers grazing (hay will be fed if necessary, at our discretion), regular barefoot hoof trimming and use of our facilities:

- wash down area
- sand arena
- covered arena
- show jumps
- farm riding (ground conditions permitting).

Additionally you will be charged for worming of your horse. All herds are drenched twice a year. For further information on our worm management strategy please see the *Grazing* page on our website.

We require that at all times you ride safely and respect other people and their horses. You must wear an approved riding helmet and if riding on the farm we ask that you carry a cellphone in case of emergency.

Most of our horses live barefoot and uncovered, however we do accommodate shod and covered horses. Please detail any special requirements you may have below.

Please complete your details below and your horse's overleaf.
