

Terms of Service for Live Cover

1. a. The service fee for **Capatino** is \$2,000.00 plus GST. This excludes a \$200.00 non-refundable booking and mare handling fee payable on acceptance of this contract.

b. The service fee for **Diamond Park Sinatra** is \$1,200.00 including GST. This includes a \$200.00 non-refundable booking and mare handling fee payable on acceptance of this contract.
2. The service contract carries a Live Foal Guarantee (LFG).
A LFG will be given once a Vet has scanned the mare in foal at our property or we receive notification of the pregnancy from your Vet. LFG starts from 42 days after last service up to 48 hours of age of the foal. If the mare leaves the farm before being scanned in foal then the balance of the stud fee is payable before departure and LFG is not given until the mare is scanned in foal by your Vet.
If a foal does not eventuate or if the foal doesn't live for more than 24 hours, the mare may return to our property the following season for a return service. The booking fee and mare handling fee will apply again. The LFG does not cover any necessary future booking fees and grazing.
3. The mare must be wormed prior to delivery to the farm.
4. The grazing fee is \$40.00 per week. All mares will be grass fed (baleage will be supplemented at our expense if there is a shortage of grass). If your mare requires any other feed or supplements these must be provided for her at time of arrival. There will be a further \$2.00 charge per day to administer feed to your mare.
5. The mare may be removed one week after her last service or she will be scanned for pregnancy 42 days after her last service if she is still at the farm. Vet expenses incurred will be charged directly to the mare's owner.
6. Once pregnancy is confirmed and notified the mare must return home. Any further agistment will be by arrangement only, subject to availability of grazing.
7. All fees due are payable prior to the mare being removed from our property.
8. The mare owner shall be responsible for and agrees to pay on demand any veterinary fees and charges for the mare. Where possible Kate's Riding Centre will attempt to communicate with the mare owner prior to the expense being incurred.
9. If applicable the mare's shoes must be removed prior to arrival at our farm.

10. Kate's Riding Centre shall provide all care and attention to the mare but shall not be liable for any loss, damage or claims of whatsoever nature or howsoever arising from injury, sickness or death caused to or sustained by the mare whilst under our care.

11. Kate's Riding Centre reserves the right to refuse to allow service of the mare if she is in the opinion of us, unfit for service or poses a threat to the safety of either our stallion or ourselves.

12. The client warrants that he/she is the registered owner of the mare.

Please acknowledge the acceptance of these terms and conditions by signing two copies of this service contract.
